

Dear Chemistry Student Council,

I am reaching out regarding tutoring jobs of PC1 Nebenfach this upcoming Winter Semester. While the deadline for signup has closed on the official website, there is at least one more vacancy open. These would be 5 WS contracts for the period between 13.10.2025 and 06.02.2026 for preparing and guiding exercise sessions. I would be very grateful if you could advertise the position in your channels - interested students can contact me directly.

Thank you in advance for your help,

Best regards,

Alena
